

Air Freshener

Distilled Water - 3/4 Cup

Vodka or Ethenol - 1/4 Cup

Essential Oil - 1/2 tsp.

Combine all ingredients in a fine mist sprayer and shake before each use.

All Purpose Cleaner

Distilled Water - 1 Cup

Vodka or Ethanol - 1/2 Cup

White Vinegar - 1/2 Cup

Essential Oil - 1 tsp. *

*I use different essential oils for the kitchen and the bathroom. A good one for the kitchen is sweet orange because it cuts through grease. In the bathroom I go for tea tree, peppermint and sage but that's just my preference.

Combine all ingredients in a good quality spray bottle and shake before each use. I just cleaned out some old spray bottles that had my bought cleaning products in and used them. If you do this make sure you clean thoroughly and label clearly.
